Via email – Lifetabernaclebits@gmail.com

Dear Dean Fuller,

Pursuant to N.C. Gen. Stat § 116-15(d), The University of North Carolina Board of Governors (BoG) is empowered to exempt programs of study from normal state authorization requirements because of the religious nature of those programs program (the Religious Exemption). Staff for the BoG, acting under delegated authority, have awarded the Religious Exemption to the following programs at Life Tabernacle Bible Institute Theological Seminary:

- Associate of Theology
- Bachelor of Theology
- Master of Theology
- Doctorate of Theology

These Religious Exemptions are in good standing. Life Tabernacle Bible Institute Theological Seminary must continue to file annual reports to ensure the continued appropriateness of this exemption.

Sincerely,

DocuSigned by:
